Hello Lisa and Joel,  
We are having a meeting tomorrow regarding the training so I am hoping that we will also have the date nailed down with that meeting as well. I will follow up with you mid week. Thanks

Sheryl

Hi Sheryl,

Do you have any information about the required workshop in Washington DC for the EJ Small Grants recipients? Joel and I are trying to plan Beyond Toxics' fall agenda - we have many events and commitments piling on our plates!

Please send any information, or if you are not the person we should be asking, provide us with a contact who we should call.

We appreciate it very much!

Sincerely, Lisa  
Beyond Toxics
